

TOWN OF NEW BALTIMORE PLANNING BOARD
Minutes

The Planning Board met on October 12, 2023, with the following business transacted:

...Discussed with Town residents their desire to do a boundary line adjustment between two parcels owned on High Mount Road and the paperwork required.

...Michelle Mormile from Crawford and Associates Engineering was present to discuss with the Board her review of the documents submitted thus far for the New Baltimore Solar project. In view of some changes the applicant has been informed will be required, the Board will await report from Ms. Mormile regarding her review of these changes and bearing they may have on the application and supporting documentation currently in front of the Board before scheduling the applicant's next appearance at a Board meeting.
