A majority of the Board shall constitute a quorum for the transaction of business, but a lesser number may adjourn.
2. Town residents who wish to speak shall fill out a card at the entrances of the meeting room listing their name, contact information, and the subject matter in which they would like to speak. 3. Speakers must be recognized by the presiding officer and then proceed to the lectern and state their name and address. They must limit their remarks on official town business to up to three minutes and may not yield any remaining time to another speaker. They must address their remarks to the Board as a body and not to any member thereof and not to other members of the audience in the form of a debate.
4. Speakers should present their remarks in a courteous manner and may not make disparaging remarks or personal comments about public officials, town residents, or others. All speakers will observe the commonly accepted rules of courtesy, decorum, dignity, and good taste with no cursing, swearing, clapping, booing, finger pointing, bullying, whispering, or talking that disrupts the proceedings of the business of the Town Board.
5. Any speaker who disregards the directives of the presiding officer in enforcing the rules, disturbs the peace at a meeting, makes impertinent or slanderous remarks, or generally conducts themselves in an inappropriate manner shall be barred from further participation and will forfeit any balance of time remaining for their comments.
6. After a final warning, if a speaker willfully refuses to step down, the Town Supervisor shall contact the appropriate authorities to remove the speaker from the meeting room and to restore order.

I ACCEPT the Residential plan

I DECLINE the Residential plan

If declined, I fully understand that my equipment listed above is not covered for repair expenses due to component failures beyond the original basic warranty period provided by John Deere.

Note : This is not a contract. For specific PowerGard™ Protection plan Residential coverage, please refer to the terms and conditions on John Deere's public website(www.JohnDeere.com) under Services & Support >Warranty > Extended Warranties > PowerGard protection plan Residential.

PowerGard™ Protection Plan Residential (Residential plan) is:

The PowerGard™ Protection Plan Residential is an extended repair plan that provides parts and labor coverage up to four years beyond the manufacturer's warranty. It is available on all riding lawn equipment, zero-turn radius mowers, utility vehicles, utility tractors and compact utility tractors. Your John Deere equipment will be in the hands of qualified, certified technicians from John Deere dealers using Genuine John Deere Parts.

Not covered under a Residential plan:

Residential plans do not cover routine maintenance services or items normally designed to be replaced by the purchaser due to normal wear and tear. They do not cover any product used for commercial or rental applications. They also do not cover repairs for damage from accident, misuse, fire, theft, or exposure to weather conditions such as lightning, hail, flood or water. See the actual PowerGard™ Protection Plan Residential Terms and Conditions for a complete listing of coverage, and limitations and conditions under the program.

Benefits of Residential plan:

- Offer the choice of adding up to 4 years of repair coverage beyond the machine's factory warranty.
- Do not require preapproval before repairs are made by the authorized John Deere dealership.
- Is transferable by the original purchaser for the balance of the original agreement period.
- Ensures higher resale value and makes equipment more marketable during sale or trade-in.
- Comprehensive Plans:
 - No deductibles and no out-of-pocket costs on covered repairs.

JOHN DEERE

-
- Free transportation for factory warranty and extended repair plan repairs for the term of the plan (Note: A surcharge may apply for machines located outside of the dealership's normal service area).
 - Limited Powertrain Plans:
